**Subject: Precautionary measures Influenza A(H1N1) virus**

Dear Customer,

As a company we see it as our duty to inform our business relations on the precautions which we have taken against the Influenza A(H1N1) virus.

Plasticum is concerned about the Influenza A(H1N1) virus and is aware of the announced risks this flu pandemic may cause. We place the highest priority on the safety of our people, the quality and continued deliveries of our products.

Therefore we have taken and implemented the following precautionary measures:

- Every Plasticum facility has established a committee to overview all matters regarding the Influenza A(H1N1) virus.
- Following the recommendations of the national health authorities, all employees have been advised and instructed on personal care and hygiene, avoidance of infection and the signs and symptoms of the Influenza A(H1N1) virus.
- Assigned crash succession for critical positions.
- Every Plasticum facility has a business continuity plan in case of a serious outbreak affecting the business under our responsibility.

Plasticum ensures the best preparation possible for such an eventuality. Meanwhile we will remain vigilant and take the necessary precautions to protect everyone's health.

With kind regards,

drs. Roel W. Zeevat  
CEO Plasticum Group
